

Whenever You're Speakin' To Me

Don Francisco

There's nothing I've heard that compares with Your word
To strengthen me and set me free
The joy deep inside that can't be denied
Whenever You're speakin' to me
Like a babbling brooke on it's way down a hill
Now it's the natural thing to be doin Your will
Everywhere that I go I just got to show
All the love that you've given to me

Way back at the start
When I gave you my heart
And You showed me the things I should do
Well I'm still on the track
And I not turnin' back
Cause I know what You told me is true
Like the rain from the sky
On a thirsty land
Your word brought life to a dyin man
From desert to garden
Condemnation to pardon
And all of the praise goes to you

Out on my own I couldn't find my home
I didn't know the right from the wrong
But with Your spirit inside and YOur word as my guide
I got a sense of direction so strong

Out on my own I couldn't find my home
I didn't know the right from the wrong
But with Your spirit inside and YOur word as my guide
I got a sense of direction so strong

There's nothing I've heard that compares with Your word
To strengthen me and set me free
The joy deep inside that can't be denied
Whenever You're speakin' to me
Like a babbling brooke on it's way down a hill
Now it's the natural thing to be doin Your will
Everywhere that I go I just got to show
All the love that you've given by the life I'm livin' to me
The love that you've given to me
