

# Love Is On A Roll

Don Williams

I can't work late  
Although I need the money  
Gotta get home to my lovin honey  
She'll be there waitin', waitin' impatiently  
Love is on a roll  
Love is on a good roll.

Usually I meet with the boys of Friday  
Only this mornin' she said 'this is my day  
The look she gave me sent a shiver down into my soul  
Love is on a roll  
Love is on a good roll.

Our love is on a roll  
Our love is on a good roll.

I'm a songwriter a professional dreamer  
Mostly a singer but sometimes a screamer  
I should know if anybody knows at all  
When love is on a roll  
Love is on a good roll.

So I gotta go, I gotta get home early  
Be with my woman, soft an curvy  
Makes me feel like a king  
And not a regular Joe  
Love is on a roll  
Love is on a good roll.

Love is on a roll  
Love is on a good roll.

Our love is on a roll  
Our love is on a good roll  
Our love is on a roll  
Our love is on a good roll.

Love is on a roll  
Love is on a good roll.

Love is on a roll  
Love is on a good roll.
