Grenade

Dondria

Easy come, Easy go
That's just how you live
Oh, take, take, take it all
But you never give
Should of known you was trouble
From the first kiss
Had your eyes wide open
Why were they open?

Gave you all I had
And you tossed it in the trash
You tossed it in the trash, you did
To give me all your love is all I ever asked
'Cause what you don't understand, is

I'd catch a grenade for ya
Throw my hand on the blade for ya
I'd jump in front of a train for ya
You know I'd do anything for ya
Oh, oh I would go through all this pain
Take a bullet straight through my brain
Yes I would die for ya baby
But you won't do the same

Give and take
Tit for tat
You've got me I've got you
That is what we said in the beginning of this love
I've given you all I have
You've given me nothing back
That's okay cause karma is a bitch waiting for you
I gave you all I had
And you tossed in the trash
You tossed it in the trash yes you did
To give me all your love was all I ever asked
Cause what you don't understand is

I'd catch a grenade for ya (yeah yeah yeah)
Throw my hand on a blade for ya (yeah yeah yeah)
Jump in front of a train for ya (yeah yeah yeah)
You know I'd do anything for ya (yeah yeah yeah)

Oh I would go through all this pain
Take a bullet straight through my brain
I would die for you baby
But you won't do the same
Oh the same
The same
