

Sorry I Hurt You

Donell Jones

I'm sorry that I hurt you
Please say it ain't over
All I wanna know is
When are you coming home?
I've been sitting on the sofa
Waiting for your call
Cause every time I call you
I get no answer

Maybe I'm living in a fantasy
You're already gone
And I can't let go
Can't you see I need you desperately?
You say it ain't so
'Cause I can't let go
Baby I'm sorry I hurt you

I'm sorry that I hurt you
But sorry just wasn't enough
I'm sorry that I hurt you
'Cause you used to be my love
I'm sorry that I hurt you
But sorry just wasn't enough
I'm sorry that I hurt you
'Cause you used to be mine
You used to be my love
You used to be my love

I'm sorry that I hurt you
I don't want another lover
It won't happen again
I'm tired of breaking your heart
I was hoping maybe we could make up and restart
But every time I call you
I get no answer

Maybe I'm living in a fantasy
You're already gone
And I can't let go
(Can you please pick up the phone?)
Can't you see I need you desperately?
You say it ain't so
'Cause I can't let go
I'm so sorry that I just can't let you go

I'm sorry that I hurt you
But sorry just wasn't enough
I'm sorry that I hurt you
'Cause you used to be my love
I'm sorry that I hurt you
But sorry just wasn't enough
I'm sorry that I hurt you
'Cause you used to be mine
You used to be my love
You used to be my love

Used to wake up in the morning

With you there next to me
You used to be, you used to be
And I'm sad you ain't hearing me
Cause I need you so desperately
Hey you used to be

I'm sorry that I hurt you
But sorry just wasn't enough
Wasn't enough, wasn't enough, wasn't enough
Sorry that I hurt you
Just wasn't enough
Come home baby
