

# Where I Wanna Be

Donell Jones

I said I left my baby girl a message  
Sayin' I won't be coming home  
I'd rather be alone  
She doesn't fully understand me  
That I'd rather leave than to cheat  
If she gives me some time  
I can be the man she needs  
But there's a lot of lust inside of me  
And we've been together since our teenage years  
I really don't mean to hurt her, but I need some time  
To be alone

But when you love someone  
You just don't treat them bad  
Oh, how I feel so sad  
Now that I wanna leave  
She's crying her heart to me  
How could you let this be?  
I just need time to see  
Where I wanna be  
Where I wanna be...

Sweet little dee-do-dee-dee...  
I don't mean to hurt you, baby, oh, no, no...

Never did I imagine  
That you would play a major part  
In a decision that's so hard  
Do I leave, do I stay, do I go?  
I think about my life and what matters to me the most  
Girl, the love that we share is real  
But in time your heart will heal  
I'm not saying I'm gone  
But I have to find what life is like  
Without you

Sweet little dee-do-dee-dee...  
I don't mean to hurt you, baby

See when you love someone  
You just don't treat them bad  
Oh, how I feel so sad  
Now that I wanna leave  
She's crying her heart to me  
How could you let this be?  
And I just need time to see  
Where I wanna be  
Where I wanna be...
