

# Broke My Eyes

Donkeyboy

Broke my eyes  
When I saw what I shouldn't see  
Just like a man  
Like everyone else

Life is short  
Why is life so short?

We can't hide no more  
We can't run away  
Disguise ourselves  
We're born

We can't hide no more  
We can't run away  
Disguise ourselves  
We're born

Consequences  
You should be more aware  
Consequences  
Has taken me down

We can't hide no more  
We can't run away  
Disguise ourselves  
We're born

We can't hide no more  
We can't run away  
Disguise ourselves  
We're born
