

# Do You Compute?

Donnie Iris

Do I have to say it?  
Don't you already know it?  
Do I have to spell it out?  
Don't you think I show it?

Can't you see it's  
you I want tonight  
(You have to read it)  
You have to read it  
in between the lines

(chorus)  
Do you compute?  
What does it take to  
make you understand?  
Do you compute?  
I'm trying to tell you  
I'm in love with you

I ain't no good with words  
No I'm no good at talking  
I'm misunderstood  
Misunderstood too often

Now baby if you'll  
open up your eyes  
(Then you will feel)  
Then you will feel  
the way I feel inside

(chorus)

(instrumental)

Now baby if you'll  
open up your eyes  
(Then you will feel)  
Then you will feel  
the way I feel inside

(chorus 3x to fade)
