

Glad All Over

Donnie Iris

You say that you love me (say you love me)
All of the time (all of the time)
You say that you need me (say you need me)
You'll always be mine (always be mine)

And I'm feelin' glad all over
Yes I'm glad all over
Baby I'm glad all over
'Cause you're mine

I'll make you happy (make you happy)
You'll never be blue (never be blue)
You'll have no sorrow (have no sorrow)
'Cause I'll always be true (always be true)

And I'm feelin' glad all over
Yes I'm glad all over
Baby I'm glad all over
So glad you're mine

Other girls they try to take me away (take me away)
But you now it's by your side I will stay
I will stay

Our love will last us (our love will last)
Till the end of time (end of time)
Because this love now (because this love)
Is only yours and mine (yours and mine)

And I'm feelin' glad all over
Yes I'm glad all over
Baby I'm glad all over
So glad you're mine

Other girls they try to take me away (take me away)
But you now it's by your side I will stay
I will stay

Our love will last us (our love will last)
Till the end of time (end of time)
Is only yours and mine (yours and mine)

And I'm feelin' glad all over
Yes I'm glad all over
Baby I'm glad all over
'Cause you're mine
