

Ridin' Thunder

Donnie Iris

Feel the wind blow
On my way to Bobby Joe's
I got the wind at my back
I got my Daddy's Cadillac
I'm going down to The Flats
I'm gonna mingle with the river rats

Ridin' thunder
Ridin' thunder
I'll be ridin' thunder... tonight
Ridin' thunder
Ridin' thunder
I'll be ridin' thunder... tonight

Waiting for a train
I been waiting on a friend
I been waiting for this evening
C'mon, c'mon now Mary Ann
Cause today I was a wide eyed boy
But tomorrow I'll be a man

Ridin' thunder
Ridin' thunder
I'll be ridin' thunder... tonight
Ridin' thunder
Ridin' thunder
I'll be ridin' thunder... tonight

Rivers rising with the sun and the heat
Bobby Joe is sleeping
Crashed in the backseat

Now I just sat and thought for awhile
The river runs for miles
And I smiled

Ridin' thunder
Ridin' thunder
I was ridin' thunder... last night
Ridin' thunder
Ridin' thunder
We were ridin' thunder... that's right
