

# Didn't You Know

Donnie McClurkin

Didn't I know your fears?  
Didn't I share your pain?  
Didn't I wipe away the tears?  
Wasn't I shelter from your rain?

Wasn't I there for you?  
Wasn't I always true?  
Didn't you know that  
I'd be with you all the way?

Listen

Didn't I know your fears?  
Didn't I share your pain?  
Didn't I wipe away your tears?  
Wasn't I shelter from your rain?

Wasn't I there for you?  
Wasn't I always true?  
Didn't you know that  
I'd be with you all the way?

Didn't I know your fears?  
Didn't I share your pain?  
Didn't I wipe away the tears?  
Wasn't I shelter from your rain?

Wasn't I there for you?  
Wasn't I always true?  
Didn't you know that  
I'd be with you all the way?

Didn't you know that  
I'd be with you, my child

Oh, yes, didn't you know that  
I'd be with you all the way?

Didn't you know, didn't you know  
Yes, I will  
Everyone with you, every time with you  
I will hold you, I will hold you, hold you  
Yes, hold you in my helping arms  
Oh, yes I will, yes

Said I'll never leave, said I'll never leave  
Said I need you, I don't leave you, I don't leave you  
No no no no

I'm the right guy standing right now, standing right now
