

# Encouraged

Donnie McClurkin

When I thought that I was done  
Had no hope, no strength to run  
Jesus said, "Come here, my son.  
You have only just begun."

He took me in just as I was  
He showed me how it felt to be loved  
He washed away the guilt and shame  
And He called me by the name He gave

Oh, Jesus encouraged me  
Saying all is not lost  
He spoke life to me  
Told me I can go on  
When I thought it was over  
Thought I'd never recover  
Oh, Jesus encouraged me

Like a child who's had a fall  
I believed I'd lost it all (thought I'd lost it all)  
Mislead by my own fear and doubt  
Like the father He picked me up and brushed me off  
Reminded me of who I was in Him

Oh, Jesus encouraged me (yes, He did)  
Saying all is not lost  
He spoke life to me  
Saying I could go on oh now  
When I thought it was over  
Thought I'd never recover  
When I thought it was over  
Thought I'd never recover (never recover)

Jesus encouraged me

Yeah, He encouraged me (He encouraged me)  
Now I can say, I'm encouraged (yes, I am), I can make it (I can make it)  
Say I'm encouraged, I can make it  
Jesus, I can make it through this, I can make it through the rough  
I'm encouraged (I can make it), I can make it  
I believe I can, I believe I can  
So whatever you need, that's where I'll be  
With you by my side, I know  
Say there's never no giving back, no turning back, no  
With you by my side, my side, my side  
Oh, so I just hold on, with you I'm strong  
And I won't and won't and won't be alone  
I know I'm encouraged, yes I am  
To go on, to fear there's no way  
I'm encouraged  
No matter what it looks like  
No matter what it feels like  
I know I'm encouraged  
Your is a matter to live  
Never to fall I'm encouraged  
I know I can make it  
Yeah, I can make it, I can make it, I can make it...
