

# I Do I Do

Donnie McClurkin

Did I tell you that I love you  
Did I tell you what you mean to me  
Did I tell you how think of you when I think about eternity, oh my  
Did I tell you that I wanna stay in your arms and never turn away  
Did I tell you that I love you  
Well I want you to know that I do, I do

All that you do for me, I could never once repay  
Yet and still you turn around and you do it anyway  
I'm always begging, pleading, asking  
But now I'm falling on my knees before you saying

Did I tell you that I love you  
Did I tell you what you mean to me  
Did I tell you how think of you when I think about eternity, oh my  
Did I tell you that I wanna stay in your arms and never turn away  
Did I tell you that I love you  
Well I want you to know that I do, I do

All the time you're blessing me  
Yet and still I ask for more  
Instead of saying thanks for all the things you've done before  
But now I take this time to tell you what I think of you  
If you should ever leave I don't know what I do, I do

Did I tell you that I love you  
Did I tell you what you mean to me  
Did I tell you how think of you when I think about eternity, oh my  
Did I tell you that I wanna stay in your arms and never turn away  
Did I tell you that I love you  
Well I want you to know that I do

I'm amazed at  
How you first loved me  
Good god almighty  
And that you're thinking of me  
I'm on your mind  
How you died on calvary  
Yeah yeah yeah

I appreciate you  
And I'm every grateful  
And all I wanna say is  
That I love, that I love, that I love you

Did I tell you that I love you  
Did I tell you what you mean to me  
Did I tell you how think of you when I think about eternity, oh my  
Did I tell you that I wanna stay in your arms and never turn away  
Did I tell you that I love you  
Well I want you to know that I do, I do

Did I tell you that I love you  
Did I tell you what you mean to me  
Did I tell you how think of you, think of you  
When I think about eternity, oh my  
Did I tell you that I wanna stay in your arms and never turn away

Did I tell you, tell you that  
Well I want you to know that I do, I do

Did I tell you that I love you  
Did I tell you what you mean to me  
Did I tell you how think of you when I think about eternity, oh my  
Did I tell you that I wanna stay in your arms and never turn away  
Did I tell you that I love you  
Well I want you to know that I do, I do
