

# I'm Still Here

Donnie McClurkin

I'm still here through the story of life  
I'm still here through the pain and the strife  
I'm still here and I can't understand how I made it this far

Yes, I'm still here and I'll admit  
There were times when I thought  
Thought I was losing my mind  
But the Lord came and He gave me the strength  
And I made it this far  
Yes I did

I'm still here, though some said I was done  
I'm still here  
I've got farther to run and I can't look behind me again  
'Cause I made it, I made it, I made it

And I'm sure that I would have surely died  
If it had not been for God  
God on my side  
Yes, I survived somehow and it's too late now

For I know what  
Know what God has planned will stand, oh

I'm still here despite what people may say  
I'm still here and I'm crowning today  
And it's true, I'm amazed  
Just like you, I made it  
I made it, I made it

Oh, oh still here, thank God  
I'm still here, still here  
Thank God, thank God, still here  
Thank God I'm still here, still here  
Thank God, thank God, still here  
Thank God I'm still here  
Still here, thank God, thank God  
Thank You Lord  
Thank You Lord  
Thank You Lord  
Thank You Lord  
Thank You Lord  
Thank You Lord, still here
