

Write My Name

Donnie McClurkin

While I am waiting
To see you face to face
Now Lord I'm praying
Asking for your saving grace

Seeking
Praying
Watching
Waiting
Shouting
Get ready
For that great day
Oh write my name above

Oh write my name above

Need you every hour
Need your strength and power
Need you when I'm lonely
Need you when I'm hungry

I need you to fill me
With your love
I need you to wash me
With your blood
I need you to give me
What I need
Help me
If you please

Wash me cleanse me
Fill me with your love
Wash me cleanse me
Fill me with your love
Wash me cleanse me
Fill me with your love
Write my name above
