## Magdalena

## **Donny Hathaway**

Magdalena sits in her chair Speaking on the mass She talks in splice and splinters She laughs not breaking glass She said that she would have me Spirit her away Stealing all my images Till there's nothin' left to say

Oh, Magdalena
Nothing like the saint you are
Your love is like a razor
My heart is just a scar
Oh, Magdalena
Nothing like the saint you are

She tells me that she wants me
Then she tells me not to bother
She tells me that I couldn't hold
A candle to her father
She knows that she's got me
When I start to rave about
She'll just smile and flash her eyes
And blow the candle out

Oh, Magdalena
Oh, ho, ho, Magdalena
Nothing like the saint you are

Magdalena lying there
Could make a dancer stumble
Make a preacher bite his tongue
And leave him with a mumble
And if you think I'm crazy babe
Or that I'm kiddin' you
Just pay your dues and lose your blues
When she gets her tongue in you

Oh, Magdalena
Nothing like the saint you are
Your love is like a razor
My heart is just a scar
Oh, Magdalena
Nothing like the saint you are

Well, I can't be forgotten And I can't be ignored You find me with my poems And my songs
But if upon your journey You're turning to L.A.
Won't you take this little Red-haired girl song?

Oh, Magdalena Nothing like the saint you are Your love is like a razor My heart is just a scar Oh, Magdalena Nothing like the saint you are
