You Are My Heaven

Donny Hathaway

An angel whispered to me when I woke this morning That I would find heaven by my side And there you were you angel, heaven in the morning Laying in my arms and in my life

And I reached this decision, I love you, my religion That is in my soul and in my heart No one could ever change my mind, oh, no 'Cause I got you here right by my side

You are my love (You are my love) You are my heaven You are my love Make me sing la di da

You are my love (You are my love) You are my heaven Darling, I, oh I won't let them take you away (Won't let them take you away, take you, baby)

If angels whispered to you early every morning It's really something wonderful and rare I get up in the morning feeling that forever I have all your love and all your care

If someone tries to tell that I do not love you Tell them they must be out of their mind I ain't gonna let them change my mind, oh, no 'Cause I got you here right by my side

You are my love (You are my love) You are my heaven You are my love (You are my love) Make me sing la di da

You are my love (You are my love) You are my heaven Darling, I, oh I won't let them take

Darling, I, oh
I wont let them take
Darling, I, oh
I won't let them take you away
(Won't let them take, take you, baby)

You are my love (You are my love) You are my heaven You are my love (You are my love) Make me sing la di da You are my love (You are my love) You are my heaven Darling, I, oh I won't let them take you away (Won't let them take) You are my love (You are my love) You are my heaven You are my love (You are my love) Make me sing la di da You are my love (You are my love) You are my heaven Darling, I, oh I won't let them take you away I won't let them take you You are my love (You are my love) You are my heaven You are my love (You are my love) Make me sing la di da

You are my love (You are my love) You are my heaven, oh
