

Deep Purple

Donny & Marie Osmond

When the deep purple falls
Over sleepy garden walls
And the stars begin
To twinkle in the night

In the mist of the memory
You wander on back to me
Breathing my name with a sigh

In the still of the night
Once again, I hold you tight
Though you're gone
Your love lives on
When moonlight beams

And as long as my heart will beat
Sweet lover we'll always meet
Here in my deep purple dreams

When the deep purple falls
(When the deep purple falls)
Over sleepy garden walls
(Over sleepy garden walls)
And the stars begin to twinkle
(And the stars begin to twinkle)
In the night (in the night)

In the mist of the memory
(In the mist of the memory)
You wander back to me
(You wander on back to me)
Breathing my name
(Breathing my name)
With a sigh (with a sigh)

In the still of the night
Once again, I hold you tight
Though you're gone
Your love lives on
When moonlight beams

And as long as my heart will beat
Sweet lover we'll always meet
Here in my deep purple dreams

And as long as my heart will beat
Sweet lover we'll always meet
Here in my deep purple dreams
Here in my deep purple dreams
Here in my deep purple dreams
