

# Sunshine Lady

Donny & Marie Osmond

She keeps me warm and brightens my day  
Like the sunshine in July  
And cools me off like a gentle rain  
Every time I see her cry  
Like the wind  
She's all around me  
Yet free to blow  
And I don't think I could stop her  
If she really wants to go  
Really wants to go  
She's my sunshine  
She's the lady of my dreams  
She's my morning  
She's in the middle of everything that I do  
I do it all for you  
Sunshine lady  
You're my sunshine lady, sunshine  
She's a part of what I call my life  
And a part I'll always keep  
And though the love inside of me  
May sometimes fall asleep

Just like the way I fall for her  
Every time we meet  
She's what I call a lady  
From her head down to her feet  
Oh, oh, oh, oh  
She's my sunshine  
She's the lady of my dreams  
She's my morning  
She's in the middle of everything that I do  
I do it all for you  
Sunshine lady  
You're my sunshine lady  
Sunshine  
She's my sunshine  
Se's the lady of my dreams  
She's my morning  
She's in the middle of everything that I do  
I do it all for you  
Sunshine lady  
You're my sunshine lady  
Sunshine  
Oh, she's my sunshine  
She's the lady of my dreams
