

# When I Need You

Donny Osmond

When I need you  
I just close my eyes and I'm with you  
And all that I so wanna give you  
It's only a heartbeat away

When I need love  
I hold out my hands and I touch love  
I never knew there was so much love  
Keeping me warm night and day

Miles and miles of empty space in between us  
The telephone can't take the place of your smile  
But you know I won't be travelin' forever  
It's cold out but hold out and do I like I do

When I need you  
I just close my eyes, I'm with you  
And all that I so wanna give you, baby  
It's only a heartbeat away

It's not easy when the road is your driver  
Honey, that's a heavy load that we bear  
But you know I won't be traveling a lifetime  
It's cold out but hold out and do like I do

Oh, I need you

When I need love  
I hold out my hand and I touch love  
I never knew there was so much love  
Keeping me warm night and day

I just hold out my hand, I just hold out my hand  
And I'm with you darlin' and I'm with you  
And all I wanna give you  
It's only a heartbeat away

Oh, when I need you, when I need you, baby  
I hold out my hand, you're by my side  
Keepin' me warm night and day, oh, baby  
When I need you
