

Oh Yeah

Donots

I wanna take you for a ride Need my best friend by my side Anyw
here feels quite alright To sing our songs into the night Somet
imes I need to break free There's a voice inside of me Sometime
s I need to forget Tonight I'm gonna drain my head

(Oh yeah oh yeah) I'll have my coffin with sugar and milk And a
body bag made out of silk This body's looking for cheap thrill
s Get my kicks until it kills

I wanna burst like dynamite I wanna get burnt by the city light
s Need the guitars amplified Let the wine drink me tonight Some
times we need to break free A voice inside of you and me Someti
mes we need to forget Tonight we're gonna drain our heads

There ain't no doubt about it - oh no! I can't live without it
- oh yeah! There ain't no doubt about it - oh no!
Hell yeah!
