You were so quick to say good-bye So tell me did you even try? You burned a hole in my disquise And left a scar larger than life I guess, wecfle victims of a circumstance So please conceal the evidence If we should need someone to blame Letç£0 just make up some funny names For someone to blame Canç£□ we pretend this ainç£□ the end? Until we break weç£□e got the truth to bend LetcfD leave the details all behind My dear, you know I wouldnç£□ mind I quess, weçfle victims of a circumstance So please conceal the evidence (cause you know) If we should need someone to blame Letç£0 just make up some funny names Itç£□ alright to wash our doubts away If we may spend another day Got someone to blame
