

# Don't Deny It

Donovan Woods

In this world, there's a losing end?  
Boys and girls, women and men  
When you swore not to love again  
But you know you will

Just don't deny it, yeah  
Don't deny it, oh  
Don't deny it, yeah  
Don't deny it, oh

When this world has got you down again  
I'm a man with a hand to lend  
When you swore not to love again  
But you know you will

Just don't deny it, yeah  
Don't deny it, oh  
Don't deny it, yeah  
Don't deny it, oh
