

# What Kind Of Love Is That?

Donovan Woods

What kind of love is that?  
What kind of love is that?  
What kind of love is that?  
Did it find you in the dark one night?  
Did it whisper you into the light?  
Did it let you know it always has your back?  
What kind of love is stronger in the broken places  
Fills up the lonely spaces  
Picks you up when you fall down  
Drives you home when you drunk downtown  
Or when you fall off the end of the earth cause it's gone flat  
What kind of love is that?

What kind of love is that?  
What kind of love is that?  
Does it take all it can get?  
Unwind you with regret  
Turn a sunny day, blue & black  
What kind of love criticizes, ostracizes, cuts you down to size  
Turns it's back when you need a friend  
Walks away when the end begins  
Leaves you when your wheels come off the track  
Boy, what kind of love is that?  
What kind of love is that?

And you hold me, when I need holding  
And you heal me, when I'm broken  
From a dark dream, I've awoken  
To the kindest words ever spoken  
And when I lost hope and I can't see

Somehow you believe in me  
What kind of love is that?

What kind of love is that?  
What kind of love is that?  
You say my name so sweetly  
Steal my heart completely  
Dance with me even though my record's scratched  
What kind of love is stronger in the broken places  
Fills up the lonely spaces  
Pick you up when you fall down  
Set you right when you're spinning around  
I spent my life trying to learn to love you back  
What kind of love is that?  
What kind of love is that?

All God's children sing  
What kind of love is that  
All God's children sing  
What kind of love is that  
All God's children sing, Lord  
What kind of love is that  
All God's children singing out  
What kind of love  
What kind of love  
What kind of love is that?
