

## Sick

## Dope

Here's to tomorrow baby  
I'm feelin sick  
Complain the whole world's angry  
You make me sick  
With each crime you proceed me  
You stuck me with the rest  
Everytime you mess with me  
I'll put you to the test

Bang bang bang in your head fucker  
Bang bang bang you're dead fucker

Here's to tomorrow maybe  
I'm getting sick  
For everytime you harass me  
I'll put on in your head  
I gave up on society  
And everything you've said  
Have it your way

Bang bang bang in your head fucker  
Bang bang bang you're dead fucker

And you're dead fucker
