

Today Is the Day

Dope

Today is the day that I will let it go away
That I will let it be okay
That I will throw it all away
Today is the day that I will piss it all away
And will I miss it well I may
But that's the change that I'm willing to take

I don't like this anymore then you
But I do what I got to do

I want to be free of everything
Everything
I've had more than I can take
I want to be free of everything
Everything
I've had it today is the day

Today is the day that I will smoke it all away
That I will toke it all away
That I will blow it all away
Today is the day that I'll be happier to say
That I am living day to day
And that my life's the way I hope it'd be

I don't buy this anymore then
You so I do what I got to do

I want too be free of everything
Everything
I've had more than I can take
I want to be free of everything
Everything
I've had it today is the day

Forget about tomorrow
Today's the day
