

It Could Happen to You

Doris Day

It could happen to you
Don't count stars or you might stumble
Someone drops a sigh and down you tumble

Keep an eye on spring, run when church bells ring
It could happen to you
All I did was wonder how your arms would be
And it happened to me

Keep an eye on spring, run when church bells ring
It could happen to you
All I did was wonder how your arms would be
And it happened to me

It could happen to you
Don't count stars or you might stumble
