

My Heart

Doris Day

I know I don't know you very well
This could be a phase I'm going through
But I've got a little secret I've just got to tell
I think I love you
I think I love you

And I'll give you my heart
If we ever get together
My heart
We'll have a head start on forever
(My heart)
Long as I am living
That's how long I'll go on giving you my heart

I know I don't know you very well
I've only been with you a time or two
It may sound funny, but I think I fell
In love with you
I'm in love with you

And I'll give you my heart
If we ever get together
My heart
We'll have a head start on forever
(My heart)
Long as I am living
That's how long I'll go on giving you my heart

(Two kids, four hearts)
In the big house by the lake
And a kitchen with a microwave
Think of all the time we'd save
Time we'd spend just making love

I'll give you my heart
If we ever get together
My heart
We'll have a head start on forever
(My heart)
Long as I am living
That's how long I'll go on giving you
(My heart)
If we ever get together
(My heart)
We'll have a head start on forever, darling
(My heart)
Long as I am living
That's how long I'll go on giving you my heart
(My heart)
I'm giving you my heart
My heart
