

Possess Me

Doris Day

Hold me tight
And kiss me right
I'm yours tonight
My darling posses me

Tenderly, and breathlessly
Make love to me
My darling possess me

Near to me
When you are near to me
My heart forgets to beat

You're divine
My ball and chain
So say your mine
And my darling possess me

Oh oh oh oh oh oh oh oh oh oh
(La la la la ah ah ah ah ah ah ah ah ah)

Hold me tight
(And kiss me right), and kiss me right
(I'm yours tonight darling posses me)
(Tenderly), tenderly
(And breathlessly), breathlessly
(Make love to me, my darling posses me)
Near to me
When you are near to me
(My heart forgets to beat)
(Ohoho), you're divine, (you're divine)
My Valentine, (Valentine)
So say you're mine and my darling posses me
Ohohohohoho
