

Free My Heart

Doro

I would promise you
I would stand by you
I would lie for you
I would die for you

Nothing in this world
Could keep me apart from you
Could keep my heart from you
Could keep my love from you

Nothing on this earth
Could break my heart in two
As long as I'm with you
I would make it through

Keep my heart to stay alive
Keep this love for all times
Hold this heart and hold tight
Keep this love for a whole life
Love me till I will die
Love will fight
Love will find a way

Life under a spell
Is doomed and really hard
The world is turning dark
Yeah, I've been bruised and scarred

I wanna feel your love
I hope and pray to god
To resurrect my heart
