

# Long Way Home

Doro

Father  
Give me just a sign  
That I'll survive how can I stay alive  
When guns shoot fire

People  
I can feel the hate behind their eyes  
Insanity rules my life  
Got no tomorrow

It's such a long long way from home  
And in my heart I can't go on  
Lost on this battlefield of hope  
I feel so lonely  
It's such a long way from home  
My bleeding heart  
Can't take no more  
Another day of war  
That's waiting on my way

Darling  
There's so much pain  
I keep inside  
I couldn't believe my eyes  
The sky's are burning  
Help me  
Understand this fight  
For wrong or right  
What does it matter now  
The world is dying

It's such a long long way from home  
And in my heart I can't go on  
Lost on this battlefield of hope  
I feel so lonely  
It's such a long long way from home  
My bleeding heart  
Can't take no more  
Another day of war  
That's waiting on my way

It's such a long long way from home  
And in my heart I can't go on  
Lost on this battlefield of hope  
I feel so lonely  
It's such a long long way from home  
My bleeding heart  
Can't take no more  
Another day of war  
That's waiting on my way
