

# My Majesty

Doro

No one you can trust or call  
No one who you think is pure  
Not much that you're living for  
It's all so damn unsure

Nothing solid, it'll come and go  
No feeling and no heart'n soul  
No passion just insanity  
It feels all not right for me

But there's something that they cannot see  
Yeah there's something that feels good to me

You mean the world to me  
You're my majesty  
You mean all to me  
You're like solid steel

There's no beginning and there is no end  
'n there's so much I won't understand  
There's something that I know for sure  
I can always count on you

You give me hope and you give me soul  
And you can show me that there is much more  
You give me love' Make me feel secure  
That's the stuff I'm living for

You're the only one that I can trust  
You're the only one deep in my heart

There's something that they cannot see  
There's something that can set me free
