

Revenge

Doro

Revenge
I'm taking revenge
The law in my hand
Taking revenge
Got blood on their hands

When I was very young
Full of life and pride
Yeah, this one came along
I felt I'd rather die
Could not tell anyone
Non mum, not dad, no way
I was a lonely one
Pretended, it was all okay

But I was losing my mind
And now I'll live and tell
I know it's my time

I will take revenge
I see when the world
Comes to an end
I'm taking the law
Into my own hand
No, I won't be waiting
'Til we're forsaken
I'm taking revenge

I know them little ones
Were paralyzed and crying
Abuse them and hide it
How could anyone

How could anyone
Get off in a lowly crime
You're falling
And we would die

And How
We're losing our minds
We know it's alright

I will take revenge
I see when the world
Comes to an end
I'm taking the law
Into my own hand
No, I won't be waiting
'Til we're forsaken
I'm taking revenge
Right now
Making a stand
Try to defend
Abuse in the end
I'm taking revenge
With that blood on their hands
Making Amends in the end

Victims are dying
Hellbent 'n crying
Nobody cares
But I do

I'm making them pay
Making them pay...
Right in the end
Taking revenge
