M.i.a.

I don't care what they say I live my life day by day Like everything is ok Guess that's the reason I pray Light up and blow on this haze Oh dirty take me away Up there where I wanna stay So I can be M-I-A

I say 24 hours 7 days a week Been grindin so long I can do it in my sleep You reap what you sew you sew what you reap And when you get somethin good you hold and you keep it Cuz when you got somethin somebody else wont it Shinin on a hater feel real good don't it Ridin on a hater sound real hood don't it Before I take a L I'll kill my opponent Last time hard this time go harder Some do it big but the kids do it larger Down town in the house by the water Texas, Georgia, south beach Florida Yea I do everything drastic And I don't settle for nothin but fantastic Pop pop on an X Y axis Me and my click say lit like matches

I don't care what they say I live my life day by day Like everything is ok Guess that's the reason I pray Light up and blow on this haze Oh dirty take me away Up there where I wanna stay So I can be M-I-A

Sunny and I ain't talkin bout Miami Last year was good but this year I won a Grammy Album in the streets but id rather much be M-I-A just me and my family Work all day double time all night Show my baby girl that errthang alright Live like a pimp that's our hype Gotta thick chick 5'9 all tight Gotta rent chick yeah I like all type But my down there chick where tha bud all straight I betchu think I'm just talkin See her for ya self dime piece walkin Speakin of walkin you can walk without crawlin first You cant stand without fallin down and When you down on the ground stand Back up on the mound And then swang harder

I don't care what they say I live my life day by day Like everything is ok Guess that's the reason I pray

Dorrough

Light up and blow on this haze Oh dirty take me away Up there where I wanna stay So I can be M-I-A

Yall and this is still good music The world know I make real good music Ain't got to but I'm still gonna prove it Haters hate me but they still be groovin Dont nobody know how long it took me to shine Don't know body know how long it took me to grind Sometimes dreams get lost by time One night damn near lost my mind Good things happen if you believe it If you perceive it You achieve it This is motivation some of yall needed Tryna help you see So eliminate the negative Insinuate the positive Work none stop gettin money my prerogative An yea I try to be cooperative but when I keep it real some take it as derogative

I don't care what they say I live my life day by day Like everything is ok Guess that's the reason I pray Light up and blow on this haze Oh dirty take me away Up there where I wanna stay So I can be M-I-A
