

She Ugly (my Dougie Freestyle)

Dorrough

Have you ever been in the club,
And thought you seen a bad ass bitch?

And turned out she not a bad ass bitch... at all?

I mean she got everything, body, ass, you know what I'm saying?

But when she turn around.
It just fucks up your whole night.

Step up in the spot,
Walkin with a swag,
Nigga smellin real good,
Got my body sprayed with tag.
Lookin for a freak so I can take her home and smash it.
Ain't gotta be a dime,
But she gotta have an ass.
I look around the club I think I found a perfect match,
She body, shape, and ass
And she look good from the back,
So I walked up on her,
Then the script flipped fast, bitch turned around I thought she had a hallow
een mask, {damn! }, I ain't gonna lie I thought I had somethin bad, I feel s
orry for her mama cause she had somethin bad. why she tryna talk to me and d
o a sexy dance, with a pitbull face, bitch you ain't gotta chance.
Goddamn shes a mess,
Bitch stop workin me, somebody need to tell her she look when she twurkin it
.
I ain't tryin to hurt you, just tryin to alert you, you don't need to be out
past dark, you needa curfew

She ugly!
She ugly?
She ugly!
She ugly?
She ugly!
She ugly?
She ugly!
