

# Who The Fuck Do You Think You Are

Dorsal Atlântica

I know you've probably heard this before  
But if we stay quiet we'll be ignored  
The voices that you want to shut away  
But it's our fight to have our say

Who the fuck do you think you are

You say your policies are for our best  
But when you fuck up you show no regret  
Look around and open your eyes  
See what society you have devised

Who the fuck do you think you are

Rich are richer poor more poor  
Hands for help reach out, you slam shut the door  
Say it ain't your problem, it's out of your hands  
You say sort yourself out, you sure we can

Who the fuck do you think you are  
That you are kidding
