

I've been called the devil  
I've been called god  
I've been salvation  
I've been the nod off  
I've been the preacher  
Every word in the sermon  
Been the ground that you stood too long  
Balancing beam you fallen off  
When we couldn't speak  
You should have thought  
The mind's a scary place  
To let yourself walk  
Never mind

Been the life of the party  
I've been apartheid  
Been the shovel, the buried body  
The P's and Q's we mind

When we couldn't speak  
You should have thought  
The mind's a scary place  
To let yourself walk  
Down in that hole with  
Your plans and thoughts  
When we opened our eyes  
That's all we got
