

If You Say Goodbye

Double You

If you say goodbye girl
Don't ask me why, oh baby
If you say goodbye girl
I wanna cry, oh baby

Would you stay here with me tonight
If I showed you my love
Would you come girl into my life
If I gave you my soul

Can you tell me if there's a way
That I can get to your heart
Is there nothing that I can do
Oh, I'm begging no and I'm saying no

If you say goodbye girl
Don't ask me why
You're the one I can't forget, oh baby
If you say goodbye girl
I wanna cry
'Cause I had to let you go
Don't forget my love

Could you give me another day
'Cause I will run right away
Could you look at me like before
Please don't walk out the door

Can you tell me if there's a way
That I can get to your heart
Is there nothing that I can do
Oh, I'm begging no and I'm saying no

If you say goodbye girl
Don't ask me why
You're the one I can't forget, oh baby
If you say goodbye girl
I wanna cry
'Cause I had to let you go
Don't forget my love

If you say goodbye girl
You know I'm gonna cry
I'll always love you until the end of time
Just come back to me I'm lost without you
Please just come back

If you say goodbye girl
Don't ask me why
You're the one I can't forget, oh baby
If you say goodbye girl
I wanna cry
'Cause I had to let you go

If you say goodbye girl
Don't ask me why
You're the one I can't forget, oh baby

If you say goodbye girl
I wanna cry
'Cause I had to let you go
Don't forget my love
If you say goodbye
