

Only In A Dream

Double You

Only in a dream you'll see
A fantasy of peace and harmony

Only if you dream with me in unity
Then love will set us free
Only in a dream
Only in a dream, yeah yeah

I wanna tell you a story
I wanna take you to secret places
I wanna show you a potion
Yes it's gonna give me emotion
I wanna show you a lady
She's got to go and she drives me crazy
Will you love me with passion
Baby can you give me devotion

Only in a dream you'll see
A fantasy of peace and harmony
Only if you dream with me in unity
Then love will set us free
Only in a dream, yeah yeah
Only in a dream, yeah yeah

So let me be in the story
I wanna fly with you to those places
Just take a look of those faces
Because they're lost without traces
