

That Look in Your Eyes

Double You

I don't know why
How hard I've tried
I can't go on
And no matter how I try
I can't forget

Been around the world
I've traveled for far
And life is hard
And forever you will shine
There in my mind

And I'll keep on fighting
For that look in your eyes
And I will keep on trying
And to your surprise
I will keep on forever and ever
That look in your eyes
I need so bad

If I look back
To what I've done
I did us wrong
And forever you will shine
There in my mind

And I will keep on searching
For that light in your eyes
And I will keep on trying
To win back your love
And I will keep on fighting
To recapture that light in you eyes
That burns inside

Feeling the sorrow
I'll wait for tomorrow
I can't sleep another night
I'm dreaming of your eyes

Feeling the sorrow
For you I'd beg, steal or borrow
You got that especial something now
And it's in your eyes

And I will keep on searching
For that light in your eyes
And I will keep on fighting
And to your surprise
Yes I will keep on trying
To win back
That look in your eyes

Uh it's your eyes
In my eyes
Your eyes
It's your eyes
It's your eyes
