

Cloud 9

Dove Cameron

Waking up, ready for some action
Strapping, ready for the ride
Going big now that I can take it,
All the way to cloud 9

Dropping in, wanna feel the rush now
Sun is out, the wind is in my hair
Nothing else could be quite as awesome,
As when I'm soaring through the air

So here we go, And we ain't gonna take it slow
We're ready now to touch the sky,
This must be how it feels to fly,
I'm on cloud 9! I'm on cloud 9!
This must be how it feels to fly,
I'm on cloud 9! Oh oh

Don't give up, keep on taking chances
Put in time, till you get it right
Winding up, swinging for the fences
Won't go down without a fight

Going hard, push it to the limit
To the edge, go to the extreme
There's no doubt that I'm gonna win it
Never giving up the dream

So here we go, and we ain't gonna take it slow
We're ready now to touch the sky,
This must be how it feels to fly,
I'm on cloud 9! I'm on cloud 9!
This must be how it feels to fly,
I'm on cloud 9! I'm on cloud 9! I'm on cloud 9!
This must be how it feels to fly,
I'm on cloud 9! Oh oh

So here we go, and we ain't gonna take it slow
We're ready now to touch the sky,
This must be how it feels to fly,
I'm on cloud 9! I'm on cloud 9!
This must be how it feels to fly,
I'm on cloud 9! I'm on cloud 9! I'm on cloud 9!
This must be how it feels to fly,
I'm on cloud 9! Oh oh
