Black and White Town

Doves

```
Esmi Fmi        F#
Here comes the action
Esmi    Fmi       F#
Here it comes at last
Esmi       Fmi    F#
Lord give me a reaction
Esmi        Fmi  F#
Lord give me a chance

Bmi         As      F#    As
You should follow  me down

Esmi          C#
In satellite town
Esmi                      C#
There's no coulor and no sound
Esmi                   C#       As
I'll be ten feet underground
Gotta get out this satellite town

Esmi Fmi F#     (2x)

Esmi Fmi        F#
Here comes some action
Esmi  Fmi        F#
First time in my life
Esmi                 Fmi    F#
Gotta get out to get compensation
Esmi                 Fmi      F#
Gotta get out to get this to last

Esmi                Fmi
 Whether you live alone
F#
Or you're trying to find your way in this world
Esmi        Fmi
You better make sure that
F#
Crack your head on the pavement man !
Esmi      Fmi
My God ! The shock !
F#
It's been preying on me and mine
Esmi        Fmi
This is a dangerous place man
F#
This is a dangerous place, there's nothing here

Bmi         As      F# As
You should follow me down

Esmi         C#
In satellite town
Esmi                      C#
There's no coulor and no sound
Esmi                   C#       As
I'll be ten feet underground
```

```
    In a black and white town

    Esmi Fmi F#    (4x)

    Bmi          As      F# As
    You should follow me down

    Fmi                          Esmi
    There's no colour and no sound
    Esmi                    C#
    In a black and white town
    Esmi                       C#
    I'll be ten feet underground
    Esmi                     C#
    In a black and white town
```

```
    In a black and white town

    Esmi Fmi F#    (4x)

    Bmi          As      F# As
    You should follow me down
```
