

House of Mirrors

Doves

Faces in the hallway
Cracks up in the ceiling
Shadows coming my way
And your house is full of mirrors

It echoes in the alleyway
Of footsteps in the hall
And this house is full of mirrors
And your house is full of mirrors

And it's time for you to come stay
And it's time for you to find a way
And it's time for you to come and stay
In the house of mirrors

Echoes in the alleyway
Footsteps on the floor
I never thought I'd see the day
And this house is full of mirrors

Is there anybody out there
I saw it coming my way
But this house is full of mirrors
Yeah this house of many mirrors

And it's time for you to come stay
And it's time for you to find a way
Oh every room and every hall
I see your face
And it's time for you to come and stay
In the house of mirrors

Yeah faces in the hallway
Shadow on the ceiling
The shit is coming my way
And this house is full of mirrors
Echoes in the alleyway
Footsteps in the hall
I saw it coming my way
This house is full of mirrors

Oh every room and every hall
I see your face
And it's time for you to come and stay
In the house of mirrors
