

## Words

## Doves

Inside is  
A heart of summer soul  
Don't let them  
Take it away

Cause inside  
Something solid gold  
So don't let them  
Throw it away

Words they meant nothing  
So you can't hurt me  
I said words they mean nothing  
So you can't stop me

I said your eyes, they say nothing  
So you can't hurt me  
On summer days like these  
I said words they mean nothing  
So you can't hurt me

Follow  
Your own path from here  
So don't listen  
To what they say

Cause inside  
you've a heart of gold  
So don't let them  
Take this away

Words they meant nothing  
So you can't hurt me  
On summer days like these  
I said words they mean nothing  
So you can't stop me

I said your eyes, they say nothing  
So you can't fault me  
I said words they mean nothing  
So you can't hurt me

Inside  
A heart of pure soul  
A sun rising  
And falling away, like your soul

Cause here comes  
Something wonderful  
So don't let them  
Throw it away

Words they meant nothing  
So you can't hurt me  
On summer days like these  
I said words they mean nothing  
So you can't stop me

On summer days like these

I said your eyes, they say nothing  
So you can't stop me  
On summer days like these  
I said words they mean nothing  
So you can't hurt me
