

It Ain't Over

Down Low

Drop it! huh! hit'em low, hit'em down low it ain't over, yo! on
e, two, one, two, three come on, huh! as i walk upon the scene,
a vision of mad man, as i walk i see vision of a backstand as
i'm off into dark, he feel depression, feels words trampled in
heart by rejection secrecy has grasp his own faith, abandonly h
e cries reminiscing of mate, huh! a silent scream over take the
means, he seems trampled in his heart by a dreadlock skeem it
ain't over, till the fat lady has sung, ya young, see my friend
, for you your life has just begun, keep your head, stay strong
, you go to hold on, even though your life may seem like a sad
song (just ease your mind), cause in time you'll find, behind e
very cloud there is sunshine, come times when worst come to wor
st, you need to struggle and fight even when it hurts it ain't
over just be strong, you got to hold on, till fat lady sings he
r song, life will go on it ain't over, it ain't over just be st
rong, you got to hold on, it ain't over, it ain't over now can
he witness to my certain change, when will his life be mistaken
as derranged, huh! everyday he walks with head hanging down, s
oul has abandoned him, now he's heavenly bound, soullness man,
trying to make a stand, has no plan lonely has he drifted to hi
s past that he ran huh! feeling his depression in a heart-melt
way, slowly walking to this man i begin to say stand amazed and
dazed by the haze i place knowing the lord works in mysterious
ways, but hey!, i see this planet is not meant for every man b
ut god damn, shit is getting hotter than frying pan i know this
is a test but i guess that the stress on my chest from zest, g
ot me hopeless, but nevertheless, i know i can stand the test,
cause at the end of my quest, things will be at their best it a
in't over just be strong, you got to hold on, till fat lady sin
gs her song, life will go on before the love everything you're
dreaming of is right here, in the middle, "now whats the riddle
" what i came to do, and i'll explain to you, i protain to you,
touching pain with you and what remain to do, is giving fame t
o you, and give you what you came to do (slow it down) see i wa
nna put you in the right direction, give ya body full love and
affection... i'm a get my freak on .. (freak on, freak on, i'm
a get it on) we're gonna rock, on and on, and on, and on, and o
n. freak on, i'm a gonna get it on ... said i'm gonna get my fr
eak on ... freak on, freak on, i'm a getit on we're gonna rock,
on and on, and on, and on, and on, and on yeah, yeah!
