

Are You That Somebody

Down with Webster

[VERSE 1:]

Oh girl, I've been watching you like a hawk in the sky
thats flys, and you are my prey
Girl I promise you, if we keep bumpin' heads
I know that one of these days,
we gon' hook it up, probably talked on the phone
But see, I don't know if that's good
I been holdin' back this secret from you
I probably shouldn't let you know but

[CHORUS:]

If i let you know, you can't tell nobody,
I'm talkin' bout nobody
Well, are you responsible
Girl I gotta watch my body, cause I'm not just anybody
Is it my go, is it your go
Sometimes I'm goody-goody, right now I'm naughty-naughty
Say yes, I say no
Cause I really need somebody
Tell me you're that somebody

[VERSE 2:]

Girl, Imma pick you up by the park right now
Up the block while everybody sleep, sleep, sleeps
I'll be waiting there, with my smokes, my shades, my skate
Just so I'm low key
If you won't tell the world
Oh Girl, see I'm trustin' you with my heart, my soul
I probably shouldn't let you know but

[CHORUS:]

If I let you know, you can't tell nobody,
I'm talkin' bout nobody,
Well are you responsible
Girl I gotta watch my body, cause I'm not just anybody
Well is it my go, is it your go
Sometimes I'm goody-goody, right now I'm naughty-naughty
Say yes, I say no
Cause I really need somebody
Tell me you're that somebody
