

# She's Dope

Down with Webster

(Chorus)

I don't smoke girl  
But you're dope girl  
I don't drink babe  
But you're Tanqueray.

[Pat]

I'm the only one who be doing I'd be checking you out  
But I see plenty fine girls that don't open my mouth  
I know your momma don't like me or what I'm about  
I'm always trying to do what's right, it just don't work out  
We go to all the same parties and you don't know my name  
It's probably cause I never won the damn football game  
But I'm honest yeah, you gotta put me on this yeah.

I try to tell you what you want to hear, but I'm wrong  
I probably won't amount to much, but this song  
You're saying that you're outta my league  
But what's a little white lie to me?

I don't smoke girl  
But you're dope girl  
I don't drink babe  
But you're Tanqueray.

[Bucky]

Yep, yep, yep  
Yeah I'm chronic  
Straight gin no tonic  
And you know that you got it  
So just go ahead and flaunt it (huh)  
And now I want it  
Yep, I want it  
One hand on your waist  
So I got five on it

[Cam]

Okay, you're not what I'm used to, far from usual  
Cause being dope's much better than being beautiful  
I'm not even worried about other guys pursuing you  
Girl you're a star, attention is nothing new to you  
Oh, ain't I innocent, not even a little bit  
A bottle at the booth it isn't mine girl, finish it  
You know all the nice spots, I know all the blemishes  
I'm just being honest, ain't that better than a gentleman?

I try to tell you what you want to hear, but I'm wrong  
I probably won't amount to much, but this song  
Your saying that you're outta my league  
But what's a little white lie to me?

I don't smoke girl  
But you're dope girl  
I don't drink babe  
But you're tanqueray.  
Yeaahh, yeaahh

Oh oh oh oh oh oh

I'll break the rules, I know girl  
I won't change for you but you're dope girl  
I'll face the news, don't go girl  
I won't change for you but you're dope!

I don't smoke girl  
But you're dope girl  
I don't drink babe  
But you're tanqueray.
