

# Hallelujah Day

Dr. Alban

Hallelujah day  
Hallelujah day

Before I die, I will never lose my race  
Before I go, I will never lose you girl  
Even though you gone, I will never lose my rage  
Even when you come, I will hold on to my words

Hallelujah day  
Hallelujah day  
Hallelujah day  
Hallelujah day  
Hallelujah da-ay  
Hallelujah da-ay

Before Jah come, I will always be the same  
Before Jah come, I will surely be the same  
I will never change, for anybody in this world  
When Jah Jah come, I can be as clean as him

Jah Jah will come hey  
Jah Jah will come  
If you no say today is hallelujah day  
And all wrongdoers shall get their reward  
The heaven is closed for the evildoers (follow me now)  
Jah Jah will come hey Jah Jah will come hey  
Jah Jah will come (follow me now)  
Jah Jah will come  
If you no say today is hallelujah day  
And all wrongdoers shall get their rewards
