

World Keeps Turning

Dr. Feelgood

I don't look for no worries
Worries and troubles come around
I don't look for no worries
Worries and troubles come around
World keep on turning
Got to keep my feet on the ground

Nobody saw me crying
Nobody knows the way i feel
Nobody saw me crying
Nobody knows the way i feel
The way i loved that woman
It's bound to get me killed

Love the little girl so good
Make my low down body come
Love the little girl so good
Make my low down body come
I need that woman so bad
I need her like the sky need the sun
