

I Got Stoned And I Missed It

Dr. Hook

I was sitting in my basement I just rolled myself a taste
Of something green and gold and glorious to get me through the
day
Then my friend yelled through the transom Grab your coat and ge
t your hat son
There's a nut down on the corner, givin' dollar bills away
But I laid around a bit
Then I had another hit
Then I rolled myself a bauma
Then I thought about my mama
Then I fooled around, played around
Jacked around a while and then
I got stoned and I missed it
I got stoned and I missed it
I got stoned and it rolled right by
I got stoned and I missed it
I got stoned and I missed it
I got stoned oh me oh my
Now it took seven months of urging just to get that local virgi
n
With the sweet face up to my place to fool around a bit
Next day she woke up rosy and she snuggled up so cosy
When she asked me how I liked it Lord it hurt me to admit
I was stoned and I missed it
I was stoned and I missed it
I was stoned and it rolled right by
I was stoned and I missed it
I was stoned and I missed it
I was stoned and I missed it
I was stoned oh me oh my
Now I ain't makin' no excuses for the many things I uses
Just to sweeten my relationships and brighten up my day
But when my earthly race is over and I'm ready for the clover
And they ask me how my life has been I guess I'll have to say
I was stoned and I missed it
I was stoned and I missed it
I was stoned and it rolled right by
I was stoned and I missed it
I was stoned and I missed it
I was stoned oh me oh my
