

## Sexy Energy

Dr. Hook

Do you sing in the shower,  
do you sing in the rain  
Mama locks me in the closet  
and I sing, all day

Sexy energy,  
makes me charming when I sing  
Sexy energy,  
makes me charming when I sing

Do you sing to your baby,  
do you sing at the zoo  
Do you sing some forgotten tune,  
'Cos it means so much to you

Sexy energy,  
makes you charming when you sing  
Sexy energy,  
makes you charming when you sing

Do you sing 'cause it feels good,  
do you sing with you feet  
Do you sing when you're dancing,  
or even in your sleep

Sexy energy,  
makes you charming when you sing  
Sexy energy,  
makes you charming when you sing
